To whom it may concern:

The Sturgeon Lake Minor Hockey Association (SLMHA) requires that all volunteer Coaching Staff and On Ice Volunteers must have a Vulnerable Sector Check done prior to December 1st of the current hockey season. This record will be valid for three seasons with Sturgeon Lake Minor Hockey/ Ontario Minor Hockey Association. This check is mandatory for teams to be rostered for the upcoming season.

This is required for any bench staff, or volunteers that will be on the ice with direct contact with the players.

Responsibilities:

- Direct contact with players on the ice providing instruction.
- Direct contact with players in a Dressing Room Setting
- Direct contact with players on a team bench in a coaching setting
- Trainers will have direct contact with players to assess any injuries and determine if additional professional medical attention is required.

Please complete a Police Record Check and Vulnerable Sector Check for the following SLMHA volunteer:
